Rock wall cladding will commence 30th October.

2. Local Planning Scheme & Strategy

In progress in conjunction with planning consultant Paul Bashall.

3. Lions Park

Earth works have commenced.

4. Swimming Pool Basin + Toddler Pool Works

Works were completed on time and on budget. The stainless-steel rails were polished but water staining is persistent therefore Council may wish to consider replacements in next year's budget.

Pool is up and running. Pool re-opening event on 2 October 2023 was well attended. Acquittal for CSRFF grant to be completed, then this project is complete.

5. Median Strip – ‘Meekatharra’s Streetscape Art Project’

Launch event as part of Meekatharra Outback Festival was hugely successful with 80-100 people attending at the Lloyds Art Gallery, featuring prints of the median murals. Acquittal for RAC grant to be completed, then this project is complete.

6. Lloyd’s Signage

No further progress. Great Northern Highway signage design was again amended based on Main Roads feedback but required further changes. Liaison between designer and Main Roads continuing.

Lloyds Plaza building signage lost one panel which fell down and was damaged. Shire staff are attempting repair and re-installation with improved methods. If damaged beyond repair then replacement/alternative signage may be needed.
