Summary/Matter for Consideration:

Council to consider authorising the Deputy CEO as an additional credit card holder.

Attachments:

Nil

Background:

In September 2008 Council approved a corporate credit card for use at the discretion of the CEO with a \$5,000 limit.

In October 2020 Council reviewed and amended Policy 04.12 – Corporate Credit Card specifying the CEO be the only authorised cardholder with a limit of \$10,000 per month. The policy further stipulates that any additional cardholders need prior approval by Council.

Comment:

A credit card for CEO Kelvin Matthews was ordered mid-November 2021 when he commenced employment with the Shire. Westpac have now erroneously issued the card in the name of Krystyna East (Deputy CEO). The actual card for CEO Kelvin Matthews is yet to be issued by Westpac.

Under the current policy the Deputy CEO is not actually authorised to have a credit card without prior approval from Council.

Whilst the majority of purchases are made by other payment methods, not having a credit card available for the last couple of months has impacted the Shire's operations somewhat (e.g. the new IGA Meekatharra account can only be paid by credit card).

In order to avoid this situation in future it would be beneficial for both the CEO and Deputy CEO to have a credit card each. The additional card would also aid during periods of leave when the Deputy CEO is Acting CEO as they could continue to use their own credit card.

Council policy allows a limit of \$10,000 so it's suggested that both the CEO and Deputy CEO have cards of \$5,000 limit each.

Whilst an additional credit card theoretically carries some risk of potential misuse, internal control processes as well as external auditing and reporting are well established to ensure correct use.

Summary/Matter for Consideration:

Council may consider contributing to the cost of a Snake Handling course through the CRC.

Attachments:

Request for contribution from the CRC.

Background:

The Meekatharra CRC have engaged Mr Bob Cooper to hold an 8 hour safe Snake Handling course for the general public of Meekatharra. Course participants will be expected to pay \$100 per head and the CRC will pay for catering. Funding has been sourced from Australian Vanadium to the value of \$2080 subsequent to the original request submitted to the Shire, and consequently the CRC are seeking support of \$4160 exc GST. The costing is based on a participant total contribution of \$900. It is possible that there may not be 9 registrations for the course and there would still remain a shortfall.

Comment:

Snake bites continue to be a danger for community in Meekatharra, and there is no question that effective education on how to handle snakes safely is valuable to the community.

Council has a budget of \$26,000 for donations other for the 21/22 financial year, of which \$4,000 has been granted leaving a balance of \$22,000.

The CRC would like to host a Snake Handling certificate course in March 2022. We have a number of locals interested. The course is run by Bob Cooper and participants receive a recognised certificate at the end of the 8-hour day. There is a limit of 9 people for the course.

The Lloyd's conference room is the most suitable venue, with a tentative date set for March 5th. The snake handler has to fly up from Perth on the Friday and back on the Monday, with the course taking place on the Saturday; there may be an option to hold an additional activity on the Sunday.

We are seeking funding and would like to ask the Shire and Council what they can contribute. I have attached a budget based on the quotes and estimates we have received. We would be asking participants to pre-pay \$100 each and the CRC will cover the cost of course catering. The remaining amount we would need to cover is \$5640. It would be ideal if the Shire was willing to cover the remaining costs, but if not, a contribution amount and a letter of support would assist the CRC in obtaining funding.

Thank you for your time and consideration, we look forward to hearing from you.

Regards,

Anna Johnson Manager, Meekatharra Community Resource & Visitor Centre

Hi Anna

Thanks for your enquiry.

I have attached a quote for you.

With regional bookings, we charge per course rather than per person.

If the trainer can fly in/out on the same day as training then it is only the cost of the course.

If they need to fly in/out on another day then it is \$750.00 per day.

The quote says maximum 8 but we can squeeze 9 on if necessary.

We can book the flights if you want us to. We would just add the cost to the invoice. We could certainly bring products depending on whether there is enough baggage on the flight.

Let me know what you think.

Kind regards Catherine
