I would like to formally nominate myself to run for Councillor at the upcoming election on 18 October 2025.

I have been on Council for the past four years and in this time, I have:

- Taken part in the WALGA meeting
- Presented awards to the local community at the Australia Day Ceremony
- Been involved in tourism with the Geo Region for the Murchison
- Attended Shire meetings with a positive input towards the town's safety and facilities
- I have completed all the online training for WALGA and my certificates have been handed to the Shire

I am enthusiastic about the opportunity to serve on Council for another four years.

I have lived in Meekatharra now for fourteen and a half years and look forward to being part of Meekatharra's future with the Lion's Park Upgrade, the addition of CCTV to come to the town for the town's safety and security, and the addition of footpaths to our streets.

I hope the community can see me as an asset to the community and elect me once more for another term.

HOLDEN, Judy is eligible to stand for election as a resident of Meekatharra.
