Hi, my name is Adrian Moses.

I have lived throughout the Midwest my whole life settling in Meekatharra in 2018.

My partner and I have recently purchased a property in Meekatharra with the dreams of renovating into our home.

I am nominating for Council in the hope of being able to further support a community that I love and am already a happy member of in roles such as Meekatharra Golf Course Vice Captain, Greenskeeper and soon to be Approved Bar Manager.

I also try to run Pool competitions as often as possible plus run a Meekatharra Footy Tipping competition.

I endeavour to bring new ideas and solutions to our Council with my main goal to keep improving the safety and security of our town and all its residents.

***MOSES, Adrian is eligible to stand for election as a resident of Meekatharra.***
