Hello neighbours,

My name is Gary Scott, and for the past fourteen years Meekatharra has been my home – and my heart. I've shared in our town's triumphs and challenges, and now, in my retirement, I have the time, energy, and passion to give back to the place we all love.

I believe good local government should listen first, act fairly, and always be open about the decisions it makes. Our voices matter – every single one of them – and together we can make sure they are heard loud and clear.

If you trust me with your vote, I will:

- Stand up for our community's needs in every Council decision.
- Push for openness and accountability in all Council matters.
- Encourage local involvement so everyone has a say in shaping our future.

Meekatharra is more than a town – it's a community where we look out for each other. I want to keep it that way and make it even better for the next generation.

I'd be honoured to be your voice on Council.
Let's keep Meekatharra strong, vibrant, and proud.

SCOTT, Gary is eligible to stand for election as a resident of Meekatharra.
