My name is Matthew Hall of Ned's Creek Station out of Meekatharra.

I have been a councillor of the Meekatharra Shire since 2017.

I have lived on Ned's Creek Station and worked in the Shire my whole life.

I have no plans of changing this and would love to continue to contribute to serve the community of Meekatharra.

I have enjoyed my time on Shire and see the changes that have happened and help influence them.

I hope to keep being a voice for the community, in and out of town as much as I can.

HALL, Matthew is eligible to stand for election as a resident of Meekatharra.
